SUMMARY OF QUALIFICATIONS

Ten years as a full time practicing marine surveyor five years with my own company "Azimuth Marine LLC" in Newport, Rhode Island, and five years surveying in Northern California's bay area with "Wedlock, Stone, Ramsay and Whiting LLC".

Fifteen years experience as Captain / Project Manager in all aspects of the maritime field; Sail and power, traditional and modern, educational and private, charter and commercial.

PROFESSIONAL EXPERIENCE

AZIMUTH MARINE LLC April 2005 to present **Accredited Marine Surveyor**
Sole proprietor this of marine surveying business, surveying yachts and commercial vessels. We have a particular affinity for wood vessels. Vessels surveyed have ranged to 150' in overall length and been of all material types – FRP, wood, composite, steel and aluminum. Surveying along the greater New England coast.

WEDLOCK & STONE LLC April 2001 to April 2006 **Accredited Marine Surveyor**
Partner in this established surveying company operating out of northern California. Surveying vessels of all material types FRP, wood aluminum etc. Primary surveyors of the floating homes (houseboats) of Sausalito, Berkeley and Tilman Island.

SSV R C SEAMENS Winter months 300 tons Disp. **Chief Mate**
During winter months in recent years, sailing aboard this oceanographic research vessel on a Pacific route, Hawaii, Tahiti, and the Line Islands. A Brigantine with an undergraduate science program on 6 week voyages

SSV ERNESTINA March 1996 to Nov. 1998 120' 260 ton Disp. **Master / Marine Superintendent**
Responsible for developing and overseeing annual yard refit projects, including restoration of the hull and rig, and acting personnel manager for this historic Essex built 1894 Gloucester fishing schooner. As Master we operated along the Eastern seaboard from Maine to New York w/ educational programming.

RV ABEL J Oct. 1997 to Jan. 1998 103' 500 ton Disp. **Engineer**
Acting Engineer, and liaison with *Antarctic Support Associates* and the *National Science Foundation* on this vessel's Antarctic voyage during a sabbatical from *SSV Ernestina*.

SY VAN KI PASS Summer 2007 65' IOR. Mini Maxi **Captain/
Project Manager**

Captain during the summer season in the Med. Based out of Valencia and Palma. Organized and implemented a refit at the end of the season.

SV ARABELLA Nov. 1998 to April 2001 145' 260 ton Disp. **Master**

Assist on the management team in the conversion of the aluminum Ex-Centurion from a 95' private yacht to 145' charter yacht, and service as Master for the vessel's inaugural charter season in the Caribbean.

SSV SPIRIT of MASSACHUSETTS Oct. 1993 to May 1995 102' 170 ton Disp. **Master**

Responsible for developing and implementing bi-annual yard refit projects, and for personnel management. Implemented the educational goals for *New England Historic Seaport*, and for *Long Island University* on voyages between Maine and the Windward Islands.

SV NEITH March 1987 to Oct. 1993 53' 20 ton Disp. **Captain /
Project Manager**

Responsible for the second stage of the restoration of this 1907 Herreshoff private yacht; re-powered, re-framed, and re-rigged. As Captain we operated from Nova Scotia to the Chesapeake.

SSV WESTWARD and CORWITH CRAMER Dec. 1988 to 1993 108' 200 ton Disp. **Chief Mate**

During off seasons with *Neith*, sailed with *Sea Education Association* two staysail schooners, and worked through several yard and re-fit periods. The vessels operated from Nova Scotia to Venezuela.
